| Time | Event |
|-------------|---|
| 08:00-20:00 | Registration Venue: Sheraton Zhuhai Hotel Lobby |
| 14:30-16:00 | Experts Meeting of Chinese Society of Astronautics Venue: Room 404, Zhuhai International Convention and Exhibition Center |
| 16:00-16:50 | Presidium Meeting Venue: Hall A, Shizimen Hall, Zhuhai International Convention and Exhibition Center |
| 17:00-17:50 | China National Space Administration (CNSA) Meets International Representatives Venue: Room 401, Zhuhai International Convention and Exhibition Center |
| 18:00-18:30 | Senior Officials of Guangdong Provincial Government Meet International Representatives Venue: Room 402, Zhuhai International Convention and Exhibition Center |
| 18:30-20:30 | Dinner (Invitation Only) Venue: Room 501, Zhuhai International Convention and Exhibition Center |

Monday, November 18, 2019

Opening Ceremony and Plenary Session

Time: 09:00-12:15, November 18, 2019

Venue: Hall Band C, Shizimen Hall, Zhuhai International Convention and Exhibition Center

Moderators: Wang Tianyi, Executive Chairman, International Peace Alliance (Space)

Steve Eisenhart, Senior Vice President of Space Foundation and Co-Chair of the Symposium

| | |
|-------------|---|
| 09:00-09:30 | Opening Remarks Liu Jiyuan, Honorary Chairman of the Symposium Guangdong Provincial Government China National Space Administration China Association for Science and Technology Christian Feichtinger, Executive Director of IAF and co-chair of the Symposium Jean-Michel Contant, Secretary General of IAA and co-chair of the Symposium |
|-------------|---|

| | |
|-------------|---|
| 09:30-09:35 | <p>Remarks By Yang Liwei, Vice Chief of China's Manned Space Project and Taikonaut</p> |
| 09:35-09:50 | <p>Develop Reliable and Affordable Space Technology to Usher in the Era of Space Economy Speaker: Bao Weimin, Director of the Science and Technology Committee of China Aerospace Science and Technology Corporation, Chairman of China High-Tech Industrialization Association, IAA member</p> |
| 09:50-10:05 | <p>Peaceful Use of Space Technology and Human Health Speaker: Barbara Ghinelli, Director of UKRI-Science and Technology Facilities Council</p> |
| 10:05-10:20 | <p>The Past and Present of International Space Law Speaker: Kai-Uwe Schrogl, President of International Institute of Space Law and co-chair of the Symposium</p> |
| 10:20-10:35 | <p>Report: Research Trend and Frontier Hotspot of Space Life Basic Medicine By IAA Studies Center Speaker: Wang Yiran, Head of IAA Studies Center, Vice President and Secretary General of Chinese Society of Astronautics and co-chair of the Symposium</p> |
| 10:35-10:45 | <p>Release of the Blue Program By China Alliance for Innovative Industrialization of Remote Sensing</p> |
| 10:45-10:55 | Coffee Break |
| 10:55-11:15 | <p>Presentation: Moon as the Earth's Seventh Continent-International Perspectives of Science Investigations and Human Exploration Speaker: Lev Zelenyi M., President of the Space Research Institute of the Russian Academy of Sciences</p> |
| 11:15-11:30 | <p>Internet Satellite Leads a New Information Revolution Speaker: Adrian Steckel, CEO of OneWeb</p> |
| 11:30-11:45 | <p>Proper Stewardship of Our Home Planet Speaker: Andy Turnage, Executive Director of the Association of Space Explorers and co-chair of the Symposium</p> |
| 11:45-12:15 | <p>Panel Discussion: The Peaceful Use of Space Technology and International Cooperation Moderator: Steve Eisenhart, Senior Vice President, Space Foundation and co-chair of the Symposium Panelists: Yang Baohua, Vice president of China Aerospace Science and Technology Corporation and Vice President of IAF; Christian Feichtinger, Executive Director of IAF and co-chair of the Symposium Jean-Michel Contant, Secretary General of IAA and co-chair of the Symposium</p> |

| | |
|---|--|
| 12:15-12:25 | Group Photo |
| 12:25-13:30 | Luncheon Buffet Venue: Café, Sheraton Zhuhai Hotel |
| Parallel Forum I : Development of Space Economy Time: 14:00-17:20, November 18, 2019 Moderator: Liu Yuzhang, Founder, President and CEO of Taibo Gennaro Russo, Space & High-Speed Systems Manager, Campania Aerospace District (DAC), Vice President, Italian Institute for the Future and IAA member Venue: Hall B and C, Shizimen Hall, Zhuhai International Convention and Exhibition Center | |
| 14:00-14:03 | Welcome Remarks Speaker: Andy Turnage, Executive Director of the Association of Space Explorers and co-chair of the Symposium |
| 14:03-14:15 | Report: Innovation and Development of Satellite Communication are Promising Speaker: Li Zhongbao, President of China Satellite Communication Co., Ltd. |
| 14:15-14:45 | High-End Dialogue: Market Opportunities for Satellite Communication in China and Beyond Panelists: Adrian Steckel, CEO of OneWeb Wu Shufan, Vice Executive President and lecture professor of the School of Aeronautics and Astronautics, Shanghai Jiaotong University and President of MinoSpace |
| 14:45-15:00 | Report: Developing Wearable Technology for Space and Earth Speaker: David Alexander, Director of Rice Space Institute, Rice University and Professor, Department of Physics and Astronomy, Rice University |
| 15:00-15:15 | Special Report: Creating Environment for Innovation in New Space Technologies for Health and Geospatial Studies Speaker: Yuri Ozorovich, Director of the International Cooperation Affairs, the Space Research Institute of the Russian Academy of Sciences |
| 15:15-15:25 | Coffee Break |
| 15:25-15:40 | Hypersonic Bizjet: A Multi-Mission Technology Demonstrator Speaker: Gennaro Russo, Space & High-Speed Systems Manager, Campania Aerospace District (DAC), Vice-president, Italian Institute for the Future and IAA member |
| 15:40-15:55 | Scientific and Technological Innovation Policies of Guangdong Province Speaker: Yang Jun, Vice Chief, Science and Technology Agency, Zhuhai Municipal Government |

| | |
|---|--|
| 15:55-16:10 | <p>Report: Satellite Application: A Market Worth of Hundreds of Billions of Dollars</p> <p>Speaker: Dr. Jun Yan, National Distinguished Expert, Founder and Chairman of Orbita</p> |
| 16:10-16:25 | <p>Report: Development Trend of the Satellite Application Industry</p> <p>Speaker: Wang Yuecheng, Executive Director of Taibo Institute</p> |
| 16:25-17:10 | <p>Panel Discussion: Building Industrial Ecology of Space Economy</p> <p>Moderator: Wang Yuecheng, Executive Director of Taibo Institute</p> <p>Panelists: Sun Yuguo, Founder of NavInfo and President of China Association for Geospatial Information Society</p> <p>Wang Yuxiang, President of PIESAT</p> <p>Liu Xiaolei, Chief Technical Officer of Xingyun Project</p> <p>David Warden, CEO of Black Moon Corporation</p> <p>Phillip Lin, China Chief of EUTELSAT</p> |
| 17:10-17:20 | <p>Inauguration of the Institute of Innovation in Space Technology</p> |
| <p>Parallel Forum II : The Development of Space Medicine and Health Industry</p> <p>Time: 14:00-17:15, October 18, 2019</p> <p>Venue: Shizimen Hall A, Zhuhai International Convention and Exhibition Center</p> | |
| <p>Part One: Space Medicine Inspires Medical Innovation</p> <p>Time: 14:00-15:15</p> <p>Moderator: Laurence R. Young, IAA member, MIT professor and Apollo program professor</p> | |
| 14:00-14:03 | <p>Welcome Remarks</p> <p>By Jean-Michel Contant, Secretary General of IAA and co-chair of the Symposium</p> |
| 14:03-14:18 | <p>Space Technology Inspires Medical Innovation</p> <p>Speaker: Deng Yulin, Dean of the School of Life Sciences, Beijing Institute of Technology</p> |
| 14:18-14:33 | <p>How Human Spaceflights Data Can Address Health Issues</p> <p>Speaker: Philippe Hazzane, Director of European Space Medicine Centre</p> |
| 14:33-14:48 | <p>Current and Evolving Concerns in Space Medicine</p> <p>Speaker: Richard T. Jennings, Former NASA Flying Surgeon</p> |
| 14:48-15:03 | <p>Space Exploration and Challenges in Health and Medicine- Monitoring and Preventive Therapeutics</p> <p>Speaker: Qin Yixian, IAA member, Professor and acting vice president for Global Affairs at Stony Brook University</p> |
| 15:03-15:15 | Q&A |
| 15:15-15:25 | Coffee Break |

| | |
|--|---|
| <p>Part Two: Space Medicine and Health Time: 15:25-17:15 Moderator: Zhuang Fengyuan, IAA member and professor from the School of Biological and Medical Engineering, Beihang University of Aeronautics</p> | |
| 15:25-15:40 | <p>Omics Technologies in Space Connected Medical Research Speaker: Evgeny Nikolaev, Full Professor of the Skolkovo Institute of Science and Technology and corresponding member of Russian Academy of Sciences</p> |
| 15:40-15:55 | <p>How Altered Gravity Effects Human Spatial Orientation Speaker: Laurence R. Young, IAA member and MIT professor and Apollo program professor</p> |
| 15:55-16:10 | <p>Cardiological Research in Space: Relevance for Space Exploration Missions Speaker: Vasily Rusanov, Principal Researcher at Cardiopulmonary System Autonomous Regulation Laboratory, Institute of Medical and Biological Sciences</p> |
| 16:10-16:25 | <p>Climate Change, Technology and the Future of Healthcare Speaker: Wayne Keathley, Vice President of Baylor College of Medicine</p> |
| 16:25-17:15 | <p>Panel Discussion: Space Medicine, Prevention and Treatment of Diseases Moderator: Deng Yulin Panelists: Evgeny Nikolaev, Qin Yixian, Anthony Yuen, Vasily Rusanov, Alexander Samokutyaev (Russian astronaut) and Robert Satcher (American astronaut)</p> |
| <p>Parallel Forum III : Space Mutagenesis Breeding and Spacecraft Piggyback Technology Time: 14:00-17:30, November 18, 2019 Venue: Room 401, Shizimen Hall, Zhuhai International Conference and Exhibition Center Moderator: Zhao Hui, Executive Chairman of China High-tech Industrialization Association and general secretary of the Space Mutation Breeding Industry Innovative Alliance</p> | |
| 14:00-14:25 | <p>Industrialization Prospect of Biotechnological Experiment in Space Station and Space Nanotechnology Speaker: Dr. Nechitaila Galina Semenovna, Chief scientist of Institute of Biochemical Physics and academician, Russian Academy of Sciences, IAA member, academician of Russian Academy of Cosmonautics</p> |
| 14:25-14:50 | <p>Research Progress in the Space Mutation Breeding of Rice Speaker: Guo Tao, Deputy Director of the National Plant Space Mutation Breeding Engineering and Technology Research Center</p> |
| 14:50-15:15 | <p>Space Mutation Breeding of Horticultural Crops: Achievement and Application Speaker: Chen Lixin, Dean of the Institute of Horticulture, Heilongjiang Academy of Agricultural Sciences</p> |

| | |
|---|---|
| 15:15-15:40 | <p>Research on the Influence of Space on the Mutation of Rice Seeds Speaker: Sun Yeqing, Professor at the School of Environmental Science and Engineering, Dalian Maritime University</p> |
| 15:40-15:50 | Coffee Break |
| 15:50-16:15 | <p>3D Bio-Printing Solutions Speaker: Vladimir Mironov, Expert on Space 3D Bio-printing</p> |
| 16:15-16:40 | <p>Research on the New Generation of Recoverable Satellite Speaker: Liu Xin, Director Designer of NGRS (New Generation of Recoverable Satellite), Beijing Institute of Spacecraft System Engineering, China Academy of Space Technology</p> |
| 16:40-17:05 | <p>China's Commercial Recoverable Satellite Piggyback Service Speaker: Zhu Linqi, Director of the Asia-Pacific Office, IAF Select Committee on Satellite Commercial Applications</p> |
| 17:05-17:30 | <p>Mutation Breeding by Radiation High Energy Ion Beam Speaker: Zhou Libin, Director and Researcher of Biophysics Group, Institute of Modern Physics, Chinese Academy of Sciences</p> |
| <p>Parallel Forum IV : Building a Community with a Shared Future for Space, Facilitating Innovation of International Space Law Time: 14:00-17:15, November 18, 2019 Venue: Room 402, Zhuhai International Conference and Exhibition Centre Moderator: Kai-Uwe Schrogl, President of International Institute of Space Law and co-chair of the Symposium Li Shouping, Director of Space Law Center of China National Space Administration and IAA member</p> | |
| 14:00-14:10 | <p>Remarks and Introduction By Kai-Uwe Schrogl, President of International Institute of Space Law and co-chair of the Symposium Qi Guosheng, Vice President of China Institute of Space Law</p> |
| <p>Part One: Opportunities, Challenges and Innovations for International Space Governance Time: 14:10-15:30 Moderator: Kai-Uwe Schrogl, President of International Institute of Space Law and co-chair of the Symposium</p> | |
| 14:10-14:25 | <p>Building a Community with a Shared Future in Outer Space and the Innovation of International Space Law Speaker: Li Shouping, Director of Space Law Center at China National Space Administration and IAA member</p> |
| 14:25-14:40 | <p>The Legal Strategy for the Application of Intellectual Property Rights to Outer Space Activities Speaker: Dr. Chen Zhijie, Senior Lecturer, School of Humanities, Jinan University</p> |

| | |
|--|--|
| 14:40-14:55 | <p>Legal Challenges of Creating a Community of Shared Future for Outer Space in Asia: Taking Belt& Road Space Information Corridor and Asia-Pacific Space Cooperation Organization as Examples</p> <p>Speaker: Nie Mingyan, Ph. D, Nanjing University of Aeronautics and Astronautics</p> |
| 14:55-15:10 | <p>Rule of Law Ensures Long Term Sustainable Development of Outer Space</p> <p>Speaker: Wang Jilian, General Counsel, China Academy of Space Technology</p> |
| 15:10-15:30 | Q&A |
| 15:30-15:40 | Coffee Break |
| <p>Part Two: Strengthening International Exchange and Cooperation, Promoting the Construction of International Space Governance System</p> <p>Time: 15:40-17:15</p> <p>Moderator: Li Shouping, Director of Space Law Center of China National Space Administration and IAA member</p> | |
| 15:40-15:55 | <p>China's International Cooperation in Outer Space under the Vision of "A Community with a Shared Future for Mankind"</p> <p>Speaker: Jiang Shengli, Assistant Researcher, Institute of Social Sciences, East China University of Political Science and Law</p> |
| 15:55-16:10 | <p>Space for International Cooperation and Developing Nations</p> <p>Speaker: Christina Giannopapa, Chair, Committee for Liaison with International Organizations and Developing Nations, IAF</p> |
| 16:10-16:25 | <p>Space Traffic Management: The Need for Coordination and Cooperation in the Peaceful Uses of Outer Space</p> <p>Speaker: P.J. Blount, Postdoctoral Researcher, Faculty of Law, Economics, and Finance, University of Luxembourg; Adjunct Professor, LL.M. in Air and Space Law, University of Mississippi School of Law; Adjunct Faculty, Department of Political Science and Law, Montclair State University</p> |
| 16:25-16:40 | <p>The Regulatory Framework for China's Commercial Space Activities</p> <p>Speaker: Wu Xiaodan, Associate Professor, Law School of Central University of Finance and Economics</p> |
| 16:40-16:55 | <p>Chinese Perspective on an International Regime of Space Traffic Management</p> <p>Speaker: Yang Kuan, Research Institute of Aerospace Policy and Law, Beijing Institute of Technology</p> |
| 16:55-17:15 | Q&A |
| <p>Dinner (For the Invited Only)</p> <p>Time: 18:30-20:00, November 18</p> <p>Venue: Hall Band C, Shizimen Hall, Zhuhai International Convention and Exhibition Center</p> | |

Parallel Forum V : Space Medicine and Medical Innovation

Time: 09:00-12:00, November 19, 2019

Venue: Ball Room No.2, Sheraton Zhuhai Hotel

Part One: Space Medicine and the Development of Health Industry

Time: 09:00-10:45

Moderator: Richard T. Jennings, Former NASA Flying Surgeon

09:00-09:15

Medical Robots: Application and Prospects

Speaker: Yang Guangzhong, Academician of Royal Academy of Engineering and director of Hamlyn Center surgery laboratory of Imperial College London

09:15-09:30

Microorganisms in Space: Its Transformation and Value in Application

Speaker: Liu Changting, Pioneer of Space Life Sciences in China and Professor

09:30-09:45

Coordinated Development of Space Medicine and Precision Medicine in the Age of Big Data

Speakers: Wu Xifeng, Dean of Zhejiang University School of Public Health

09:45-10:00

Impact of Culturally Influenced Communication Preferences during Long-Term Isolation

Speaker: Elena Feichtinger, Special Advisor and Projects Manager of IAF

10:00-10:15

Space Medicine and Rehabilitation Therapy

Speaker: Fei Jian, President of Shanghai Ruijin Recuperation Hospital

10:15-10:25

Checklistology and Checklist Usage in the Medical Fields of Space and Earth

by Olivas, American Astronaut

10:25-10:45

Hospital Presidents Roundtable

Moderator: Wang Jianchang, Member of the Chinese Institute of Aerospace Medicine

Panelists: Du Jichen, President of Aerospace Center Hospital, Chinese Medical Association; Fei Jian, President of Shanghai Ruijin Recuperation Hospital, Wu Xifeng, Dean of Zhejiang University School of Public Health, Lee Yuk Fat, Chairman of Pok Oi Hospital, and two astronauts

Part Two: Space Medicine, Telemedicine and AI Medicine

Time: 10:45-12:00

Moderator: Hou Yan, Vice Chairman of China Medical Equipment Association

10:45-11:00

Present and Prospect of Telemedicine in China

Speaker: Lu Qingjun, Director of Office of the Regulation and Training Centre for Telemedicine, National Health Commission of People's Republic of China

| | |
|--|---|
| 11:00-11:15 | <p>Telemedicine Speaker: Lydie Canipel, Vice president of Telemedicine Society</p> |
| 11:15-11:30 | <p>Telemedicine and its Application in Space and on Earth Speaker: Anthony Yuen, Assistant Professor of Clinical Emergency Medicine at Weil Cornell Medical College</p> |
| 11:30-11:45 | <p>Medical Diagnosis and AI Speaker: Qiaoxin, Co-Founder and CEO of Deepwise</p> |
| 11:45-12:00 | <p>Telemedicine and Space Medicine Speaker: Lan Feng, Vice-chairman of China Telemedicine Association</p> |
| <p>Parallel Forum VI : Innovative Development of Remote Sensing Industry Time: 09:00-12:30, November 19, 2019 Venue: Ball Room No.1, Sheraton Zhuhai Hotel Moderator: Wu Xiaomei, Vice Executive General Secretary of China Alliance for Innovative Industrialization of Remote Sensing</p> | |
| 09:00-09:03 | <p>Welcome Remarks By Christian Feichtinger, Executive Director of IAF and co-chair of the Symposium</p> |
| 09:03-10:00 | <p>Present and Future of the Development of UAV Remote Sensing Technology By Prof. Xu Guanhua, Former Minister of the Ministry of Science and Technology, academician of Chinese Academy of Sciences and IAA</p> <p>Application of Satellite Remote Sensing and its Prospect as an Industry Speaker: Xu Wen, Vice-Chairman and general secretary of China Association of Remote Sensing Application, IAA member and president of China Siwei Surveying and Mapping Technology Co., Ltd.</p> <p>Blue Program: An Introduction Speaker: Zhang Changjiang, Secretary of China Alliance for Innovative Industrialization of Remote Sensing</p> |
| 10:00-11:00 | <p>Panel Discussion: Application of Satellite Remote Sensing: Global Service and Relevant International Cooperation Moderator: Gao Jun, General Manager of China Aerospace Science and Technology Consulting Co. Ltd Panelists: Luo Ge, Chairman of China Association of Remote Sensing Application Xu Liping, general manager of Space Will Shao Zongyou, president of general manager of Geovis Bi Jiantao, general manager of Suyoo Norbert Paluch, general China representative, CNES</p> |

| | |
|--|---|
| 11:00-11:00 | Coffee Break |
| 11:10-11:40 | <p>Promotion of Remote Sensing Industrial Parks Investment Policy of Zhuhai Space Industrial Park Speaker: Lei Hua, Head of the Economic Development Office, Zhuhai Aerospace Industrial Park Shen Bingxing, Secretary of the Working Committee, Pinghu (Zhejiang) State-level Economic and Technological Development Zone Liu Changrong, Director of the Management Committee, Yizheng Economic Development Zone, Jiangsu province</p> |
| 11:40-12:30 | <p>Dialogue: Smart and Innovative Development of Industrial Remote Sensing Parks Moderator: Wei Zheng, Vice-General Secretary of China Association of Remote Sensing Application Panelists: Wang Zhaohua, President of Dalian Wanke Technology and Financing Service Co., Ltd. Lv Qiang, President of Beijing Guodian Gaoke Technology Co., Ltd. Guo Haiyu, General Manager of BDTop Communication Co., Ltd Wang Liguang, Assistant President of Tusholdings and President of Qihai Capital Ma Hong, President of ChinaLeaf Capital Wang Jinnian, President of ChinaRS</p> |
| 12:30-13:30 | <p>Luncheon Buffet Time: 12:00-13:30 Venue: Café, Sheraton Zhuhai Hotel</p> |
| <p>Parallel Forum VII : Space Education Time: 09:00-17:20, November 19, 2019 Venue: Beijing Institute of Technology, Zhuhai</p> | |
| <p>Part One: Report and Lecture on Space Science Time: 09:00-12:00 Moderator: Zhao Yuesheng, Vice President Beijing Institute of Technology, Zhuhai</p> | |
| 09:00-12:00 | <p>Lecture: What It Takes to Be an Astronaut By Shen Xingyun, First Captain of China's Astronaut Unit</p> |
| | <p>Report: Manned Space Flight in China— An Extraordinary Story By Pang Zhihao, Senior Scientist in Space Exploration</p> |
| 11:30-12:00 | Campus Tour (for foreign delegates) |
| 12:00-13:30 | Lunch |

| | |
|--|---|
| <p>Part Two: Space Education Time: 14:00-17:00 Moderators: Sun Yueping, Delegate of Rice University Andy Turnage, Executive Director of the Association of Space Explorers and co-chair of the Symposium</p> | |
| 14:00-14:05 | <p>Welcome Remarks By Zhao Yuesheng, Vice President of Beijing Institute of Technology, Zhuhai Steve Eisenhart, Senior Vice President of Space Foundation and co-chair of the Symposium</p> |
| 14:05-14:20 | <p>Exploration and Practice of Space Education in Primary and Secondary Schools Speaker: Jiang Jun, Director, Chinese Society of Astronautics</p> |
| 14:20-14:35 | <p>Capacity Building of International Space Education and Training Speaker: Weng Jingnong, Executive Director of Regional Centre for Space Science and Technology Education in Asia and the Pacific (China) (Affiliated to the United Nations), Dean of International School, Beihang University</p> |
| 14:35-14:50 | <p>Space Technology and Humanities Education Speaker: Vitalii Afiani, Curator of Archives of the Russian Academy of Sciences and Efim Pivovar, President of Russian State University for the Humanities and corresponding member of the Russian Academy of Sciences</p> |
| 14:50-15:05 | <p>The Role of a Global Space Museum for Space Ecosystems Speaker: Jean-Baptiste Desbois , Head Manager of Toulouse Space City</p> |
| 15:05-15:20 | <p>(Out-) Reach to Teach: Planetary Missions and Space Exploration Provide Exciting Opportunities to Bring Science into the Classroom and to Promote the Interest in STEM. Speaker: Gerhard Schwehm, Member of the Interagency Space Debris Working Group, ESA representative in the NASA Planetary Protection Sub-group and member of the ESA Planetary Protection Working Group</p> |
| 15:20-15:30 | Coffee Break |
| 15:30-16:10 | <p>Panel Discussion: Space Education in China: Strategies, Goals, Opportunities and Challenges Moderator: Andy Turnage, Executive Director of the Association of Space Explorers and co-chair of the Symposium Panelists: Long Lehao, Academician of Chinese Academy of Engineering and Expert on Launch Vehicle and Space Engineering Sun Gongling, Representative of Dean of the International Space University Steve Eisenhart Senior Vice President of Space Foundation and co-chair of the Symposium Pang Zhihao, Senior Scientist in Space Exploration Deng Jianjun, President of Dongsheng Primary School</p> |

| | |
|---|--|
| 16:10-17:00 | <p>Expectations for Space Education— Remarks from Astronauts Panelists: Yang Liwei, Anatolii Artsebarskii (astronaut of the former Soviet Union), Alexander M. Samokutyayev, Vice-Captain of Russian Astronaut Mission</p> |
| <p>Parallel Forum VIII : Space Economy and Financing Time: 14:00-17:35, November 19, 2019 Venue: Ball Room No.2, Sheraton Zhuhai Hotel Moderator: Moderator: Song Qing, Co-founder & CEO of EnvestBank Rupert Gerzer, Former Director, Institute of Aerospace Medicine, German Aerospace Center, professor, Skoltech University and IAA member</p> | |
| 14:00-14:03 | <p>Welcome Remarks By Wang Tianyi, Executive Chairman, International Peace Alliance (Space)</p> |
| 14:03-14:20 | <p>Capitals in Space Economy Speaker: Vincent Tao, Founder of Zhizhuo Venture Capital</p> |
| 14:20-14:40 | <p>Science and Technology Innovation Board Speaker: Yang Tao, Guosen Securities Co., LTD Investment Banking Department, Executive Director</p> |
| 14:40-15:00 | <p>Report: International Investment in Commercial Aerospace By David Warden, CEO of Black Moon Corporation</p> |
| 15:00-15:40 | <p>Panel Discussion: China’s Space-X—Miracle of Capitals Moderator: Li Hong, President of YangGuang Investment Panelists: Zhang Xing, CEO of Gaohua Securities, Zeng Qiang, Co-Founder of Xingen Capital; Jennifer Yu Chairwoman of Rothschild and Co in Greater China, Wang Liguang, Assistant President of Tusholdings and President of Qihai Capital</p> |
| 15:40-15:50 | Coffee Break |
| 15:50-16:05 | Roadshow I : Development and Industrialization of Commercial Mini-Satellite Platform |
| 16:05-16:20 | Roadshow II : “Remote Sensing+” : Application System of Space Information |
| 16:20-16:35 | Roadshow III : Healthylogics (the US) |
| 16:35-16:50 | Roadshow IV : Smart Driving Robot |
| 16:50-17:05 | Roadshow V : Commercial Rockets |
| 17:05-17:20 | Roadshow VI : French Low-orbit Spacecraft |
| 17:20-17:35 | Roadshow VII : Space internet for air taxi Bartini Aircraft |

18:00-18:30

Signing of the Memorandum of Symposium Achievements (Zhuhai Declaration)

Dinner Buffet (Invitation only)

Time: 18:30-20:30

Venue: Ball Room No.1, Sheraton Zhuhai Hotel
