

Chinese Society of Cardiothoracic and Vascular Anesthesiology

2020 International Summit of Cardiothoracic and Vascular Anesthesiology (ISCVA)& Annual Meeting of the Chinese Society of Cardiothoracic and Vascular Anesthesiology Call for Papers

The Chinese Society of Cardiothoracic and Vascular Anesthesiology (CSCTVA), Society of Cardiovascular Anesthesiologists (SCA), Asian Society of Cardiothoracic Anesthesiologist (ASCA) and European Society of Cardiovascular Anesthesiologists (EACTA) will hold a conference from February 28th to March 2nd, 2020 in Guangzhou Baiyun International Convention Center (Guangzhou International Convention and Exhibition Center) , Guangzhou, China. You are welcomed to attend this meeting and present your clinical and basic scientific research .

The conference has several tracks on Cardiovascular anesthesia, Thoracic anesthesia, Pediatric anesthesia, Extracorporeal circulation and life support, Blood conservation, Perioperative medicine, Perioperative organ protection, Perioperative infection control, Perioperative recovery, Perioperative medicine of cardiovascular surgery, Perioperative basic and

Chinese Society of Cardiothoracic and Vascular Anesthesiology

translational medicine, ect., Non-cardiac surgery anesthesia, Diagnosis and treatment of pain, Comfort medicine, Anesthesia of daycase surgery, Brain and vascular, Cardiovascular ultrasound, First-aid resuscitation, Clinical and laboratory testing, Precision medicine of cardiovascular radiography, Cardiovascular precision medical treatment, etc., Innovation and population of medical invention, Medical insurance, Transformation of health industry, including lectures, posters, essay contest, case discussion different topic workshops and other activities.

1. Content and Classification

Clinical and basic researches, new methods, novel technologies, advanced developments and case reports of medically challenging cases in the fields of Cardiovascular anesthesia, Thoracic anesthesia, Pediatric anesthesia, Perioperative organ protection, Perioperative infection control, Perioperative recovery, Perioperative medicine of cardiovascular surgery, Perioperative basic and translational medicine ect., Extracorporeal circulation and life support, Blood conservation, Perioperative medicine, Non-cardiac surgery anesthesia, Pain management, Comfort medicine , Precision medicine of cardiovascular , Radiography , Innovation and

Chinese Society of Cardiothoracic and Vascular Anesthesiology

population of medical invention, Medical insurance, Transformation of health industry etc..

2. Requirements

(1) The abstract should be between 800 - 1000 words (either in Chinese or English).

(2) The abstract should follow the following structure, and the sequence of content should include title, authors, institutions, cities, states/provinces, countries, email, purpose, method, result and conclusion. The result should include the main data. In order to ensure the quality of abstract, please do not separate the research topic into different sub-projects to submit.

3. How to submit:

The conference accepts ONLY online submission, no e-mail or paper submission is accepted. In order to ensure the efficiency of communication after submission, we only communicate with the submitting author. For details and steps of submission, please refer to our official website <http://iscva2020.medmeeting.org> to register and submit.

4. Deadline

The expiration date is Feb, 13TH, 2020.
